

TECHNICAL SHEET

TAK 11 – Finixa tack rags CTI H2O 80cm x 90cm 50p.

Description

The tack cloth **TAK 11** is perfectly applicable for all painting and associated cleaning works. Its unique **water-soluble** hydro-impregnation absorbs and holds dust and dry dirt reliably. The carrier material of high standard, loose gauze tissue lets the dust enter to the inner layers and provides additional security and the highest possible dust absorption capacity.

The impregnation is totally free from silicone and wax, absolutely compatible with all kinds of paint and it never dries out.

Special features:

- Impregnation water-soluble
- With wave effect, especially applicable on big, even surfaces
- Improved antistatic effect
- Loose tack cloth, adopts easily to all forms
- Ecologically friendly
- Possibility of recycling
- Easy disposal
- Patent pending
- excellent dust absorption
- glides very supple
- fits all users' hand sizes
- usable without supplemental hand pad
